

ANKYLOSING SPONDYLITIS AWARENESS

AS is a full **SYSTEMIC** disease which means it affects every part of the body.

AS can **FUSE** the spine leading to "bamboo spine" which can no longer flex.

There is **NO CURE**.

An **IVISIBLE ILLNESS** that needs to be seen.

AS can be very painful and strikes most at a very **YOUNG** age.

**ANKYLOSING SPONDYLITIS
BURDENS
33 MILLION WORLDWIDE
DID YOU EVEN KNOW
IT EXISTED?
NEITHER DID WE...
TILL WE WERE
DIAGNOSED!**

Walk Your A.S. Off 2013

March 1st - May 4th

*We've Been Around The World!
Now We're Going To*

Shoot For The Moon!!

Walking to raise awareness of
Ankylosing Spondylitis
